BAREFOOT DELINQUENTS FROM ALL CORNERS OF NAARM.

Stimpies are a misfit band of 18-19 year olds *Ned McKenna*, *Ethan Robins*, *Bec Wigg*, and *Xav Ambrosius*. The group first formed in 2018 for a D.I.Y. show in Ethan's backyard for his own sixteenth birthday, and in four short years have since come to bring their disheveled sound to some of Victoria's favourite venues, including Torquay Hotel, The Forum, The Gaso and countless others alongside local legends, *C.O.F.F.I.N.*, *The Grogans*, *Skegss*, *The Belair Lip Bombs*, and *Kingswood*.
